

Classification of Conditions

Attention:
The graphics visualize possible damage or state changes and serve to assist in the differentiation of damage intensities. The graphic illustrations do not reflect reality and do not cover all possible uses and damage or their combination. If in doubt, the description applies.

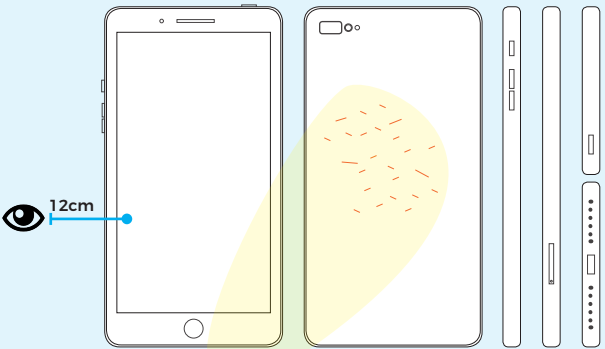

A New / As good as new

No traces

A/B Fine Traces

Only during exposure to light from certain perspectives and a distance of approx. 12 cm visible. Finer than a hair and evenly distributed. No trace can be distinguished from the other.

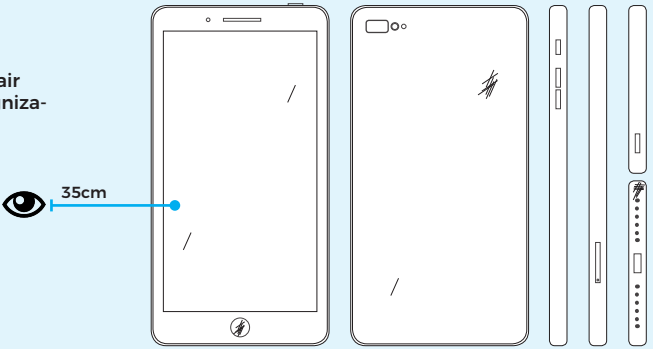

A/B 1	rarely visible, fine scratches	V
A/B 2	rarely visible, fine scratches	A
A/B 3	rarely visible, fine scratches	R
A/B 4	rarely visible, fine scratches	V & A
A/B 5	rarely visible, fine scratches	V & R
A/B 6	rarely visible, fine scratches	A & R
A/B 7	rarely visible, fine scratches	G

B Visible Traces

With the naked eye, without closer inspection recognizable traces. Hair width and bigger. From normal viewing distance (about 35cm) recognizable. The object was subjected to an impermissible, unusual force.

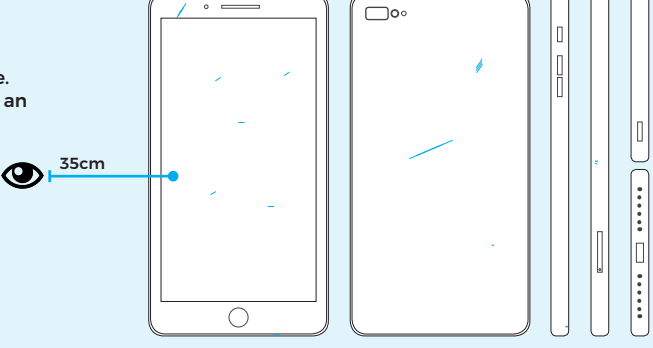

B 1	visible scratches	V
B 2	visible scratches	A
B 3	visible scratches	R
B 4	visible scratches	V & A
B 5	visible scratches	V & R
B 6	visible scratches	A & R
B 7	visible scratches	G

B/C Obvious Traces

From normal sight distance (about 35 cm) good / clearly recognizable. Isolated, distinct or several visible traces. The object was subjected to an avoidable, significant force.

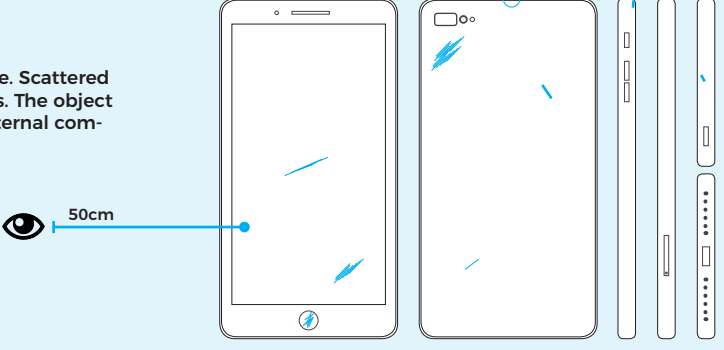

B/C 1	obvious scratches/abrasion	V
B/C 2	obvious scratches/abrasion	A
B/C 3	obvious scratches/abrasion	R
B/C 4	obvious scratches/abrasion	V & A
B/C 5	obvious scratches/abrasion	V & R
B/C 6	obvious scratches/abrasion	A & R
B/C 7	obvious scratches/abrasion	G

C Heavy Traces

From far sight distance, arm length (about 50cm) recognizable. Scattered deep, massive scratches and / or dents or several strong traces. The object was subjected to an immense force. Secondary damage to internal components can not be excluded.

C 1	deep scratches/abrasion/dents	V
C 2	deep scratches/abrasion/dents	A
C 3	deep scratches/abrasion/dents	R
C 4	deep scratches/abrasion/dents	V & A
C 5	deep scratches/abrasion/dents	V & R
C 6	deep scratches/abrasion/dents	A & R
C 7	deep scratches/abrasion/dents	G

D Damaged

Partially or fully defective. Optical and / or functional damage (hardware / outside or software / inside).

D 1	missing/broken parts
D 2	broken display
D 3	deformation
D 4	water damage
D 5	software error

Legend

V = Front side / Display
R = Back side / Backcover
A = Outside / Frame
I = Inside / Software
T = Parts / Buttons, Slots etc.
G = Total

Note

Removing protective accessories at your own risk.
